CRUCES HUNTERS IN EXCITING RUNAWAY

Team Knocks Down Several
People in Its Rush
Through Streets.

Las Cruces, N. M., Oct. 2.—The first hunting party from Las Cruces to go after quail this season started Saturday morning for the lower valley. They had bad luck at the start, the neckyoke breaking, letting the tongue drop and scaring the horses so that they bolted. The team was stopped, however, before any damage was done further than badly scaring the members of the party, who were M. B. Thompson, J. F. Sattley, W. C. Field, F. T. French and P. C. Merrill.

But their troubles had not ceased when they arrived in town late in the evening. Just as they were driving up Main street the tongue coupling broke and the team ran away, dragging the tongue with it. The horses ran into Dr. T. C. Sexton's buggy, in which Mrs. Sexton was seated. She was thrown out of the buggy by the shock, but fell into the bed of the buggy and was not hurt, although the buggy shafts were broken.

The team next ran into a Mexican's wagon, which was loaded with wood, overturning the Mexican's team and also the runaways. The horses, however, picked themselves up and continued down the street to the Las Cruces drug store corner, where they wheeled, knocking down a young girl, but she was uninjured.

The team then started up Main street, left the tongue in front of the Airline and ran to the livery stable from which it had come. A small boy on horseback, in endeavoring to get out of the way of the runaways, was thrown to the ground, his horse falling upon him, but the boy escaped with only slight bruises.

CRUCES DELEGATES WARMLY RECEIVED

Town Turns Out to Welcome
Home the Rio Grande
Delegates from Pueblo.

Las Cruces, N. M., Oct. 3.—The returning Rio Grande delegation, which won its signal victory at Pueblo for the entire lower Rio Grande valley, was met at the depot in Las Cruces by a crowd of several hundred Las Cruces people, who cheered the returning heroes mightily and serenaded the with a German band. The train stopped here for about 20 minutes to allow a general handshaking and congratulations to be given to the members of the delegation.

The El Paso Municipal band played several selections and then Zack Cobb, of El Paso, made a brief speech, telling what had been accomplished. He was followed by H. B. Holt, of Las Cruces, who vouched for the support given the New Mexico interests by the El Paso bunch. Jack Happer closed the impromptu celebration with a talk, after which the entire delegation indulged in an Indian war dance, during which they kicked in the head of the bass drum with which Las Cruces was helping to honor the delegation.

TWO WOMEN LOST IN SACRAMENTOS

Were Out More Than 24
Hours With Nothing To
Eat; Found Way Back.

Las Cruces, N. M., Oct. 3.—Mrs. Oliver Lee and Miss Lena Cox, daughter of W. W. Cox, of the El Estero ranch, started out on horseback about 3 o'clock in the afternoon to ride to Alamogordo, 40 miles distant from the home of Mrs. Lee, in the Sacramento river valley, when they reached one of the canyons through which the trail passed, and they found that the recent rains had entirely obliterated all traces of the trail. After riding a considerable distance without finding the trail, they started to retrace their steps and became lost. They rode around in wide circles until dark in the hope of finding some sign that would lead them right, but finally had to give it up on account of the darkness.

They camped in the middle of the forest, clothed only in light summer dresses and with one small wrap apiece, no matches with which to build a fire, and no food. In the morning they started again on the hunt for the trail and finally, after several hours' search, picked up their tracks of the

evening before. They followed these back to the Lee ranch, arriving there about sunset, after having been away for over 24 hours without a bite to eat or any covering over their heads.

LAS CRUCES GAME WARDEN ISSUES HUNTING PERMITS

Many El Pasoans Go to Shoot Quail; Boarding Houses at College Crowded; Convention Delegates Leave.

Las Cruces, N. M., Oct. 3.—Cesarito Pedregon left last evening for Santa Fe where he will be a candidate for chief clerk of the constitutional convention, which convenes on Monday, October 3.

Judge F. W. Parker left Saturday for Santa Fe to attend the constitutional convention as a delegate from Dona Ana county.

C. E. Miller, of Anthony, was in Las Cruces on his way to Santa Fe to attend the sessions of the constitutional convention.

W. W. Cox has finished fixing up a room for his two boys at the new Cox home between Las Cruces and the college. The boys are attending the college but have been unable to obtain rooms there at present on account of the large number of students. The new residence is not entirely completed, but the boys will "back" until the house is in shape so that Mr. Cox can move into it with his family.

W. S. Martin and family, who recently came here from Jonesboro, Ark., have moved into the Yeast property north of the city.

Mrs. L. B. Crawford and son will arrive in Las Cruces tonight to make their future home. Mr. Crawford has been here for some time.

Deputy game warden Ehle issued seven nonresident hunting licenses to El Paso people Saturday. The quail season opens in New Mexico and the warden has strict instructions to arrest all hunters who do not carry the proper license.

LAS CRUCES PHYSICIAN HONORED BY COLLEAGUES

Auditor Inspecting Books of County
Offices and Banks; Heavy Rain and
Sand Storm; Reunion postponed.

Las Cruces, N. M., Oct. 3.—Dr. R. E. McBride has returned from Albuquerque, where he attended the sessions of the New Mexico Medical society, of which organization he was elected secretary for the ensuing year.

C. V. Safford, traveling auditor for New Mexico, is in the city checking up the county offices and the two banks. The United States and territorial grand juries were empaneled this morning and have started on their labors.

Saturday night and Sunday all day Las Cruces experienced wind and sand storm. Owing to the long continued dry season, the dust was so bad that the merchants were compelled to keep the doors of their stores closed most of the time.

Owing to the continued serious illness of R. E. French, a brother of one of the members, the P. S. & W. E. society has decided to postpone the reunion which had been planned for this week. As soon as Mr. French improves in health there will be a house party of the members of the society at the home of Miss Fannie French.

DONA ANA COMMISSIONERS CONSIDER ROAD MATTERS

Las Cruces, N. M., Oct. 3.—The Dona Ana county commissioners are meeting in regular session, commencing this morning, and probably continuing for four days, as there is considerable business to come before the board. The question of the La Mesa road will be brought up and decided, as will that of the Rincon road. Other routine business and the consideration of bills will probably make the session a long one. All the commissioners are present, the clerk, Isidoro Armijo, being the only one not here. Deputy J. F. Nevares is performing the duties.

LAS CRUCES MAN IN WRECK.

Las Cruces, N. M., Oct. 3.—C. O. Hoffman, of the Hoffman & Tipton drug store, who is now in St. Louis on business, was in a wreck on the Rock Island near St. Louis last week. The engine and two cars ran off the track, but aside from a few bruises there were no passengers or trainmen injured.

CLEANING HOUSE.

Las Cruces, N. M., Oct. 3.—Deputy probate clerk Jesus Nevares has been having a fall house cleaning at the clerk's office in the courthouse. During probate clerk Isidoro Armijo's absence in Santa Fe at the convention, Mr. Nevares will be in charge of the office.

THIRTY YEARS A Slave to Coffee.

Many persons do not realize that coffee-drinking may become a powerful, enslaving habit.

They are not all aware that coffee contains a drug—caffeine—which ought never to be taken into the system except when prescribed by the doctor.

The coffee habit grows on most users and is more harmful to some than others. But a drug that acts upon the heart and nerves in the way caffeine does, is not without greater or less harm to all who drink coffee.

"For thirty years," writes a Washington housewife, "I have been a steady coffee drinker. I wanted it at every meal."

"But I would have sick headache most of the day, and often throw up my food. I really suffered awfully from coffee yet thought I never could stop it."

"Then I heard how good Postum was for such cases, and began to use it. At first I did not care for Postum, I felt sleepy and had headache. I soon found that this was because of the hold coffee had on me, for in about three days after I quit coffee and began to use Postum the headache left me, had no more nervousness and palpitation. In about a week I felt like a new woman. I have used Postum three years and when it is made according to directions (boiled 15 minutes) it is as pleasant as coffee and does not hurt anyone. I ought to know for I was bad off. Now I am well."

CRUCES EXCHANGE TO AMEND BYLAWS

Requisite Number for Quo-
rum To Be Reduced at
Next Regular Meeting.

Las Cruces, N. M., Oct. 3.—The Mesilla Valley produce exchange has submitted to its members an amendment to the bylaws, stating that five members of the board of directors shall constitute a quorum, instead of eight, as the bylaw now reads. This change was made necessary because most of the members of the board are farmers and it has been found that it is almost impossible to get eight of them together at each meeting. The change is contemplated primarily for the purpose of so amending the constitution that the regular business of the exchange can be attended at each meeting. The amendment will come up at the regular meeting of the board in October.

LAS CRUCES COMMISSIONERS TO CLEAN COMMUNITY DITCH

Las Cruces, N. M., Oct. 3.—The commissioners of the Las Cruces community ditch met in this city today and decided to issue notices for the beginning of the cleaning of the ditch at once. This was decided upon for this time, which is earlier than customary, on account of the fact that the ditches are entirely dry and that there will be time enough for a thorough cleaning before the fall rains bring any more water in the river.

SENTENCE SERMONS IN PULPITS OF EL PASO

Man shall not live by bread alone.—Rev. C. R. Womeldorf, Westminster Presbyterian church.

Just as God sent John on a special mission, so he has a special work for each of his children to do.—Rev. R. T. Hanks, Calvary Baptist church.

The maintenance of a strong moral home life is the hope of our city and national civilization.—Rev. Caspar S. Wright, Trinity Methodist church.

One of the greatest and most important tasks for every person is a re-adjustment of one's thinking.—Rev. Miles Hanson, First Congregational church.

In a proper observance of the communion we are brought into a close and intimate touch with Christ.—Rev. Chas. L. Overstreet, First Presbyterian church.

The thirty pieces of silver bought only a potter's field for Judas, but the blood of Jesus Christ is a passport into heaven.—Rev. Alfred J. McElwain, Houston Square Baptist church.

The words of our text—"Until he find it"—reveal the compassionate heart of our good shepherd in his search for those who have gone astray in sin.—Rev. Robert Bruce Smith, First Baptist church.

As you are sitting on the curb of time letting down your bucket into the well of experience, are you drawing out living waters of salvation or the bitter waters of condemnation.—Rev. F. W. Otto, First Methodist church.

Do not become discouraged if evil suggestions come into your mind. The best of men are tempted. It is no sin to be tempted, but it is a sin to yield to the tempter.—Rev. Kenneth Brown, East El Paso Presbyterian church.

There is an impression in "the crowd" that the people of the church do not care for them. Insofar as this impression has gone forth the church must care so persistently that "the crowd" will become conscious of it.—Rev. Perry James Rice, First Christian church.

There are two kinds of religion in the world—the religion that man made and the religion that God made. In the former, earth reaches out toward heaven and builds on the old life; in the latter heaven stoops to earth. God gives man new life through the new birth.—Rev. Elmer H. Combs, Lutheran church, general synod.
